

# ESHTADUR

ESHTADUR FOUNDED IN THE FALL OF 2005 BY JORG AUGUST RELEASING THE 'TIMO BE TIMO' DEMO WITH A SOUND IN THE VEIN OF AT THE GATES, DIMMU BORGIR AND SEPTICFLESH. SINCE THEN, THEY HAVE RELEASED A PAIR OF EP'S AND A STRONG FOUR ALBUMS. ESHTADUR, MEANING THE REBELLION OF ANGELS, CAN BE MOST CLOSELY LIKENED TO BANDS SUCH AS SEPTIC FLESH, BEHEMOTH, FLESHGOD APOCALYPSE, CARACH ANGREN, AND THE LIKE. LIKE THEIR SCENE COUNTERPARTS, THE BAND EMBODIES A DEATHLY MELODIC ATMOSPHERE THAT REACHES INTO REALMS OF DARKNESS AND DESPAIR THROUGH THE DECAY OF HUMANITY. IT SEEKS TO REBEL, IN ITS DARKENED WAY, EMBRACING THE ABJECT REALITY.

THEIR RICH TOURING HISTORY INCLUDES PERFORMANCES ACROSS COLOMBIA, PERU, MEXICO, GERMANY, NETHERLANDS, BELGIUM, FRANCE, POLAND, CZECH REPUBLIC, HUNGARY AND SLOVAKIA. THEY HAVE SHARED THE STAGE AND TOURED WITH CRADLE OF FILTH, VADER, GRAVWORM, SEPULTURA, ABORTED AND DECAPITATED IN ROCK AL PARQUE 2016. THEIR 2017 RELEASE, VIA BLEEDING MUSIC RECORDS, "MOTHER GRAY" IS AN EXPRESSION OF PLANETARY DEATH AND PUTREFACTION. THE SCATHING RELEASE SAW THE BAND TOURING 8 COUNTRIES IN EUROPE THROUGH 2018, AND THEN VISITING UNITED STATES FOR FIRST TIME FOR "GRAY AMERICA TOUR" INCLUDING MEXICO. NOW THE BAND HAS SIGNED LATEST ALBUM "FROM THE ABYSS" WITH BLOOD BLAST DISTRIBUTION (BY NUCLEAR BLAST) AND DISTRIBUTED PHYSICALLY BY HATEWORKS (LA).

IN 2022 THE BAND TOURED SUPPORTING BATUSHKA AND DIABOLICAL, THIS TIME VISITING RUMANIA, BULGARI, GREECE, AUSTRIA, SLOVENIA, ITALY, FRANCE, SPAIN, PORTUGAL AND SWITZERLAND.

IN 2023 ESHTADUR PLAYED AT THE 70000TONS OF METAL BEING THE ONLY BAND FROM COLOMBIA THIS YEAR.

ESHTADUR IS GATHERING MIST FORCES TO FILL YOUR SOUL AT NEXT VISIT WITH DARKENED DESPAIR
